Differentiators

Over 30 years of experience in disaster restoration and a combined 60+ years of insurance claims industry experience. Our central online project management dashboard keeps you and your insurance company in the loop every step of the way.

We bring together the industry's state of the art equipment to restore your property.

Our team includes IICRC certified Water Restoration Technicians (WRT), Applied Structural Drying Technicians (ASD), Fire & Smoke Restoration Technicians (FSRT), Applied Microbial Remediation Technicians (AMRT), Odor Control Technicians (OCT) and Carpet Cleaning Technicians (CCT).

Ultima's highly trained IICRC Certified Technicians are available 24/7 for emergency services.
