Differentiators

- Minority Owned Small Business.
- REO Repair experts since 2008 in the REO industry.
- All contractors are required to pass a background check and obtain an ABC # of IC001 to work on our clients' homes and buildings.
- JBF's team of contractors cover the Midwest, Northeast and the Southeastern United States.
- Our teams and Field Service Experts pride themselves on their capability to provide our clients with reliable services, value-added benefits, state-of-the-art technology, and in-depth quality control.
- Our network consists of licensed contractors that perform quality work in a professional manner.
- We rely on our core principles, which are keeping our word, being honest and providing 100% customer satisfaction, while regarding every moment with the utmost of integrity.
- We understand our client's needs and expectations, which has allowed us to be at the forefront of this industry. Both institutional clients and homeowners can feel at ease knowing that our network has the experience to address their needs

Past Performance

JBF Real Property Inc. services the Midwest, Northeast and Southeast, and we are always expanding in existing states as well as new states. We have a full time recruiting team that can analyze our existing network and focus on specific areas of need for JBF and our clients.
