Care Suites of America is a construction company located in Springfield, VA. We specialize in the design and construction of additions to your home to support the independent housing of the mobility challenged. Our business has over 50 years of combined experience as contracting and restoration craftsman. We understand the unique needs of preparing to house the mobility challenged, making us the best choice for adding a new addition.

Core Competencies

ADA Building Additions
Senior Living Homes
ADA Modifications to existing structures
Commercial and Residential
Detail Oriented
Installations for Mobility Challenges

Past Performance

With a Care Suite, gain support and independence while avoiding the high cost of senior communities or assisted living. Stay in the comfort of your own home while you increase the value of your property and secure your financial future.

Differentiators

Our team brings a combined 50+ years of experience of build design and project management from clients all over the Washington metro area. Class A BLD Certification, Real Estate Sales License, Appraisal License, and Home Inspection Certificate. Class B Contractor's License.
