GS-23F-0073V

We hereby summarize some of the legal services we may offer through the GSA Schedule of Financial and Business Solutions Schedule 520-6, Office of Lawyers:

- Legal Project Management
- Reporting of the progress of legal services rendered on behalf of assigned counsel
- Arbitration of claims dispute representation
- Claims appeal assistance and representation
- Drafting and review of contractual agreements
- Trustee for funds for distribution to entitled owners
- Consultation as to implementation and compliance with federal and local statutory requirements within the jurisdiction of Puerto Rico
- Due diligence review of transactions involving FEMA claims
- Litigation on behalf of government agencies

All legal services may be rendered in English and/or Spanish language,
as necessary and required by the circumstances.

We represent several branches of the United States Department of Agriculture, and the US Department of Justice in matters pertaining to the collection of loan obligations before the courts of Puerto Rico, US District Court and before the US Bankruptcy Court. We also represent reputable financial institutions such as Banco Popular, Scotiabank, Banco Santander, Oriental Bank & Trust, Puerto Rico Farm Credit, among others.
