Puchyan Ventures LLC dba Simply Snackin' provides quality protein snacks manufactured at a USDA facility located in Oshkosh, Wisconsin. Currently, we offer 10 meat snack flavors made with lean grass-fed beef, chicken breast or venison. Our business strives to provide quality snacks that support those interested in health & wellness. Our snacks are gluten free, low carb (zero – 3 g sugar/snack), and free of artificial flavors or colors. Simply Snackin' offers BOTH great taste and nutritional value - our goal is to exceed expectations.
