

# Patriot Utility Services

## Capability Statement

Patriot Utility Services is a veteran-owned small business located out of Texas that specializes in underground construction. We have over 10 years of industry experience and our services include water and sewer line construction, oil and gas pipeline construction, as well as fiber optic installation. Our previous customers include AT&T and Google and no job is too big or too small for our individual attention. We pride ourselves on always exceeding our customers' expectations.
