

Capability Statement

CAGE: 0SNV5

DUNS: 148016256

Sheepskin Ranch Inc is a women-owned small business located in Fort Worth, Texas that has been in business since 1982. Our company has the genuine sheepskin chemist with 35 years experience working in sheepskin tanneries and factories all over the world. We offer a wide variety of products that includes bed pads, wheelchair covers, and, heel and elbow protectors. Our sheepskin products are currently being used in hospitals, nursing homes, assisted living centers, rehabilitation centers, health clubs, and sports rehabilitation centers. We are also able to manufacture any custom sheepskin product upon request. All of our products are 100% genuine sheepskin manufactured in the USA and meet the requirement of the Consumer Products Safety Commission.
