### Company Overview

Global Outreach TeleRehabilitation Services is a small business based out of North Carolina that provides TeleRehabilitation services. TeleRehabilitation refers to the use of Information and Communication Technologies (ICT) to provide rehabilitation services to people remotely in their homes or other environments. With over 30 years of provider experience, we are “Healing Society Through Technology”, providing services for Mental and Behavioral health, Speech and Occupational therapy and Nutritional consultations. Our services are provided by Board Certified and Licensed Professionals trained to deliver care via computer, laptop, iPad, and phone when needed. Contact us to learn more about our federal contracting abilities.
