## Capability Statement

### Company Overview

West Coast Falconry is your premier Northern California resource for a full range of hands-on falconry classes and services. We are also the first in the state to offer an apprentice seminar that helps prepare you to become a licensed falconer. You will find that our educational demonstrations can be tailored to suit any size and age group. Everyone enjoys watching a spectacular aerial display of a raptor in flight or even a close-up, face-to-face encounter!

### Core Competencies

- Falconry classes and experiences
- Educational demonstrations for schools and special events
- Therapy assistance for children and Veterans

### Differentiators

- Owner and Master Falconer, Kate Marden
- Our birds can reach amazing speeds in an aerial demonstration of swiftness and agility.
- Beautiful setting for all types of events

### NAICS Codes
