Company Overview

MagnaCon Construction LLC is a veteran-owned small business located in Orlando, Florida. We offer an end-to-end client experience that includes seamless communication, budgeting, staffing, on-site organization, and solid, quality handiwork every time. Our company works with architects and designers to produce beautiful, functional structures. MagnaCon's commercial projects include both new construction and repairs/restorations.

Please reach out for more information on our services or federal contracting abilities.
