

## Company Overview

Jani-King is the world's leading commercial cleaning company and stops at nothing to deliver unrivaled janitorial services to your facility. We understand that your top priority is your customers and we will stop at nothing to provide top notch janitorial services. Jani-King uses state of the art equipment and chemicals to deliver a superior commercial cleaning program to a wide range of customer locations including office buildings, hospitals, hotels, sporting venues, universities, restaurants, manufacturing facilities and more. The customer service U Connect portal provides up to the minute status of your facility. Contact us to learn more on how we can best assist you.
