

Stanley Steemer

Capability Statement

Company Overview

Stanley Steemer's certified professionals know what it takes to handle a flooding problem and minimize damage. With our quick response properties can get back to normal more quickly. The sooner standing water is removed the less damage there is to contend with; this is why it's vital to work with a company that is committed to quick responses and efficient work. Our specialists are fully certified by the Institute of Inspection Cleaning and Restoration. This is a widely recognized certification program for professionals in the restoration industry. We also invest in ongoing education and special training programs so that we can provide our customers with excellent care and knowledgeable crews. Contact us to learn more about our federal contracting abilities.
