Capability Statement

CAGE Code: 870Q0 | DUNS Number: 116685742

Company Overview

Walgreen Health Solutions, LLC specializes in pressure ulcer prevention and treatment. Our team of clinicians has developed an entire suite of solutions to do just that. With our flagship line of heel offloading boots, the Heelift, and our new TurnAssist repositioning system along with our new innovative wireless technology Pressure Alert, we can avoid pressure injuries. The avoidance of pressure results in faster healing, or the ability to reduce the chance an ulcer can occur. Contact us today to find out how our product benefits your health!
