Suite 1005
Houston, TX 77032

Company Overview

Tng Mechanical Inc. opened for business in 2008 (our DBA was started in 2010) out of a garage and now we are located in a suite with 7 trucks in the field. We primarily focus on HVAC automation, maintenance, construction, and installation. Tng Mechanical is able to integrate today's technology into our business to utilize control systems. Contact us to learn more about how we can best assist you.
