Company Overview

Dobbins Transportation strives to provide reliable and high-quality non-emergency transportation services to patients in need. We are available 7 days a week, 24 hours a day. Our vehicles also have special equipment including wheelchair lifts and effective climate control to ensure that even if you are disabled, you can get where you need to be comfortably and easily.

Core Competencies

Non-Emergency Medical Transportation
Doctor Appointments
Emergency Room Pick Up
Dialysis Drop Off and Pick Up
Transportation to Where You Need to Go

Differentiators

We only use the best vehicles that have been regularly maintained to ensure every single trip is safe.

Compassionate & Caring Drivers
Specialize in ON Time Arrivals

Dobbins Transportation is committed to providing safe, reliable, and comfortable non-emergency transportation to those who do not have the ability to get around on their own

Available for outings, company trips, grocery shopping. We travel the entire State of California as needed for specialized services.
