

Pendragon Consulting LLC

Capability Statement

We are Pendragon Consulting a staffing firm headquartered in Atlanta, GA specializing in passively recruiting and developing candidates to not just find their next job but develop their career to its next step. Proudly being a veteran owned company, we work with organizations such as The USO, The Work for Warriors Program and countless other Non-Profits to help unemployed and recently separated veterans to transition from their military to civilian careers throughout the United States. Currently we work with a vast network of staffing professionals throughout the world supporting the Sales & Marketing, Manufacturing & Engineering, Healthcare, Finance, Construction and the Information & Technology industries.

Core Competencies

- Contract Jobs
- Contract Hire Jobs
- Permanent Placements
- Staffing

Differentiators

- One of the few staffing companies in the United States to provide our clients with a 6-month guarantee on all employees we place in their companies.
- Every month our staff receives exclusive training from industry professionals to keep them up to date on changes and advancements in the industries we support.
- We are the only staffing company in the United States to partner with over 14 different Non-Profits to help our Veteran community transition from their military career to a successful civilian career.

Past Performance

Pendragon Consulting proudly holds a 97% average on all placements lasting over one year at our client companies. We have worked with and placed over 2,000 Veterans into careers throughout the United States and have proudly placed over 10,000 Candidates into Private sector positions throughout the world. Our unique approach to training and developing our staff has allowed us to provide our clients with unparalleled candidates that drive their teams and companies to new heights in their industries.
