## Capability Statement

### Company Overview

Segel Logistics is a women-owned site equipment broker based in Atlanta, GA, serving customers nationwide and providing emergency response 24/7. We are positioned to provide a single point of accountability by teaming up with an established nationwide pre-certified vendor network. With 10 years of experience, we provide quality site equipment for both short and long term construction projects, and environmental consulting for contaminated debris haul off and on land oil spill response services. Call us today for assistance in the logistics of furnishing your upcoming construction project so you can focus on the project itself. Contact us now to find out more about our federal contracting abilities.
