

WAA TRANSPORT, LLC

Capability Statement

COMPANY OVERVIEW

WAA Transport, LLC has earned a reputation of excellence for meeting your logistics needs for shipping freight and cargo. We currently have a fleet of over 100 trucks, ranging from Large to Small, at our disposal for your logistics needs. Whether you need to ensure the safe delivery of your items down the street or across the Nation, we offer innovative solutions for your freight challenges. We understand that time is a valuable commodity and that there is a huge demand for fast, efficient and effective transport. We offer a large variety of services including cost-effective freight transportation, warehouse storage, specialized freight, half loads, full loads, refrigerated trucks, passenger vehicles, both long distance and local freight, special packing and crating, and much more! We are ready to take on the most challenging assignments and show you the difference that WAA Transport, LLC can make. For more information and to find out about our federal contracting abilities please feel free to contact us.
