Company Overview

Colgin, Inc. is the producer of Chigarid a protective barrier that provides effective and lasting relief from the pain and itching associated with chigger and other bug bites. Our product works to heal and soothe the wound while keeping dirt out, calming the skin with camphor, phenol, menthol, and oil of eucalyptus and is safe for people of all ages (ammonia free). Chigarid can be found at drug stores near you as well as on Amazon. Contact us today to find out more about our product as well as our federal contracting abilities.
