## Company Overview

Niagara Lubricant Company Inc., a Buffalo, NY based self certified service disabled veteran-owned manufacturer and packager of commercial, industrial, and automotive lubricants and greases, including an entire line of tire care products. Additionally, Niagara Lubricant Company produces specialty chemicals, including household & institutional cleaners, automotive appearance products, fuel treatments, oil additives, and polishing compounds. Niagara Lubricant has been serving Western New York and the World since 1923. We are a 4th generation, family-owned and operated American-made company. Our facility on the East Side of Buffalo has the capabilities to package finished good in various sizes, ranging from half-ounce tubes to tank wagon quantities, and everything in-between. Contact us today to find out about our federal contracting abilities and how we can best serve you.
