

# Wolf Corporation

## Capability Statement

### COMPANY OVERVIEW

Since 1873, Wolf Corporation has been manufacturing high-quality mattresses for the bedding industry. We are the oldest mattress manufacturer in the United States under continuous family ownership. Our excellent team of mattress professionals supply offerings that include mattress manufacturing, and a variety of fiber products, including cotton batting and bonded fiber pads that allows us to do a variety of cut and sew options including personal protective equipment. Here at Wolf Corporation, our creativity and innovation has kept our business growing for over 145 years! For additional information on our business and federal contracting abilities, please contact us today.
