

# TRACK TRANS

## NATIONWIDE FULL-SERVICE TRANSPORTATION

### CAPABILITY STATEMENT

#### **COMPANY OVERVIEW**

Track Trans Brokerage Inc provides freight transportation essentials within the logistics industry. With 30 years of experience, we assist our clients through offering an array of services.

Our freight transportation services include specializations of all types. This includes but is not limited to; refrigerated, flatbed, hazardous materials, and warehousing services. As an added bonus to our company, we have also obtained our WOSB certification so that we are able to fulfill specific set-aside requirements. Here at Track Trans, we provide assistance from all aspects of the logistics spectrum to our clientele.

For additional information on our company and federal contracting abilities, please reach out today!
