Trokon Tompo
Owner

With over 10 years of experience in various industries, Myriad Industries LLC provides all-industry consulting essentials to our clientele. We are ASQ certified and have a diverse background that obtains an array of specializations. Our consulting services include but are not limited to; human resources, management, public relations, safety training, and lean six sigma methodologies. Along with these offerings, we also specialize in the mass production, safety training, and medical industries. Our proven track record represents how we successfully plan, implement, and deliver capital expenditure projects. Here at Myriad, we strive to achieve maximum customer satisfaction through putting our skills to the test and molding our clients to fit any situation! For additional information on our company and federal contracting abilities, please reach out today!
