### Company Overview

Templar Counseling Services, LLC provides the most authentic, beneficial counseling essentials to our clientele. With over 15 years of experience and various certifications, there are little to no limitations when it comes time to our offerings.

Our counseling services include but are not limited to; mental health, childhood, marriage, and trauma. In addition to these crucial components, we also offer accommodating hours to ensure that we are always available to better assist our clients. We successfully understand that the hustle and bustle of everyday life can cause difficulty in balancing one's life structure. Here at Templar, it is our mission to assist our clients in overcoming everyday life obstacles through our diverse range of capabilities.

Please reach out today for additional information on our offerings and federal contracting abilities!
