

Capability Statement

CAGE — 8FWG6 DUNS — 073740250

Since 1974, AW Painting & General Contractors, Inc provides essential contracting services to our clientele. No job is too big or too small for our adequate, experienced team of professionals. We have 40 years of experience which enables us to provide an array of offerings.

Our contracting services include but are not limited to; painting, sandblasting, drywalling, power washing, and structural repairs. We perform our work with only high-quality materials from brands like PPG, Sherwin-Williams or Benjamin Moore. In addition to a diverse range of premium specializations, we are also up to date with EPA guidelines, OSHA certified, and work flexible hours to accommodate our clients. Here at AW Painting & General Contracting, we have built our reputable company through top-notch services, building client relationships, and working until we reach maximum client satisfaction!

For additional information on our offerings and federal contracting abilities, please reach out today.
