Company Overview

For over 40 years, Lufkin Armature Works, Inc has supplied premium electric motor services. We provide an array of offerings along with various key components to successfully satisfy our clientele.

Our electric motor specializations range anywhere from repair, evaluation, to installation. We also go the extra mile for our clients and will pick up or deliver motors when needed. In addition to these essentials, we also own all of the equipment necessary to provide top-notch service. Here at Lufkin Armature Works, we ensure that our clients are 100% satisfied through being able to work with little limitations.

For additional information on our company and federal contracting abilities, please reach out today!
