E.H Services is a one-stop-shop that provides essential facilities maintenance solutions to our clientele. We are family-owned, operated, and have 7 years of combined experience that enables us to offer an array of specializations. Our services range anywhere from residential or commercial cleaning to debris removal. In addition to a vast skillset, we also strive to provide green cleaning, quicker turn around rates, and more. Here at E.H Services, we go the extra mile through satisfying all of our client's facilities service needs! Please contact us today for additional information on our company federal contracting abilities.
