

# Abundant Trade Group International LLC

**CAGE Code:**  
8HY05

## Capability Statement

### Company Overview

The Abundant Trade Group International Company is a leader in the procurement and sale of medical supplies, equipment, and instruments. Our company has built an unparalleled network of experts around the globe, serving the world's medical suppliers and customers with diverse products and logistics. We are ready to help supply hospitals and clinics in need of supplies and proactively responding to changing circumstances. While our network is global, our focus is local. Contact us to learn about our federal contracting abilities.
