

EMC Divers Inc.

Company Overview

EMC Divers Inc. offers essential commercial diving services to our clientele. We are a mobile business that has over 65 years of experience and can serve offshore, nearshore, or inland waters.

Our services consist of but are not limited to: underwater construction, hand jetting, paper mills, erosion control, dredging, and seawall repairs. In addition to a vast skillset, we serve anywhere from the United States to the Caribbean, specialize in marine construction support, and more. Here at EMC Divers, we strive to maintain our top-notch reputation through staying safe, being professional, and supplying dependable services with competitive pricing.

Please contact us today for additional information on our company and federal contracting abilities.
