Company Overview

Since 2010, RJB Produce, Inc. provides fresh produce and fruit essentials to our clientele. We are a family, woman-owned business, have over 30 years of experience, and offer an array of specializations.

Our produce includes but is not limited to: pomegranates, blood oranges, lemons, kiwis, white nectarines, and Asian pears. In addition to a diverse range of wholesale, we use minimal pesticides, practice low impact farming, have a team of marketing experts with extensive industry experience, and own 1,200 acres of land. Here at RJB Produce, Inc. we ensure a 100% satisfaction guarantee through safely supplying our clients with fresh fruit that is handled with care, the highest safety standards, and more.

Please contact us today for additional information on our produce essentials and federal contracting abilities.
