Capability Statement

CAGE Code: 8GNM8 | fastaxinc.net | **DUNS Number:** 117149094

Fastax Inc offers complete tax and management services to our clientele. We are a woman-owned small business, have over 25 years of experience, and offer an array of specializations. Our capabilities include but are not limited to: credit repair, tax preparations, bookkeeping, auditing, and data entry. In addition to a vast skill set, we also own all of our equipment, have maintained a strong client base through building relationships, and more. We specialize not just in Tax Preparation but a vast variety in processing claims in the Medical and Private sector. We collaborate with executive leadership to determine a tailored approach to their organization's needs and then develop a plan to execute that approach as a Charge Master Analyst will oversee the management and maintenance of the Charge Description Master (CDM) to ensure consistency and accuracy in documentation, data collection, and claims processing. Ensuring proper CPT coding that meets CMS and/or any other payer's guidelines. Act as a team with Revenue Cycle and operational leaders to maintain content updates, including pricing changes. Research and educate changes to charge and coding rules from both governmental and non-governmental bodies to ensure charge compliance. Assists other departments in resolving any issue related to patient charges and getting the bill processed or denial resolved. Here at Fastax Inc, our team of professionals delivers personal service that caters to each and every one of our client's business needs. Please contact us today for additional information on our company and federal contracting abilities.
