## Company Overview

Since 1967, Specialties Company has provided essential hose testing and accompanying services to our clientele. We are a family-owned business that has over 50 years of experience and offer an array of specializations.

Our solutions include but are not limited to: hose testing, dry disconnect, rigging, chemical hoses, gaskets, and tubing assemblies. In addition to a diverse skill set, we own all of our equipment, ensure 24-hour viability, high-quality testing, specialize in PMI testing, and more. Here at Specialties Company, our team of professionals successfully fulfills all of our clients' chemical and oil hose needs through top-notch customer service.

Please contact us today for additional information on our company and federal contracting abilities.
