## Capability Statement

Cheap Ink Recycling LLC is a company that provides medical equipment and supplies. We are an FDA registered facility that has 15 years of experience doing business overseas. We offer high quality, carefully vetted medical supplies delivered to your door. This Personal Protective Equipment (PPE) offered includes six different models of N95 NIOSH Certified Medical Masks, Powder-free Nitrile Examination Gloves, Powder-free Vinyl Examination gloves. Full Body Medical Coveralls, Level 3 Medical-Surgical 3-layer Masks and more. All products go through a rigorous vetting process to ensure all products are FDA, NIOSH and 510K certified. We can help supply you with all of the Medical Supplies you need.

Feel free to request a product list or any FDA, NIOSH and 510K certificates. You can also contact us to learn more about our federal contracting abilities.
