

CAPABILITY STATEMENT

BUSINESS SUMMARY

SpinTech, LLC is a medical supplier and wholesale manufacturer that provides high-quality medical personal protective equipment products to our clients. We offer superior protection, quality, fit, and breathability in our products which include, medical gowns, masks and respirators. In addition to a diverse background in experience, SpinTech successfully meets all rigorous FDA requirements and standards. Our medical mask production reaches 1.5 million units per day, and we own additional equipment to scale upwards. Our team of professionals at SpinTech, LLC goes above and beyond for all our clients 100% of the time.
