COMPANY OVERVIEW

Nico Energy Services LLC is a minority, woman-owned and operated business based out of Floresville, TX. Our company provides cleaning, disinfecting, and decontamination services. We are a proud member of the Pathogen Response & Resource Alliance (PR2), and the second company in the U.S. to meet the soon-to-be government standard. The Nico Energy team takes pride in providing top-notch services to all customers and trains companies on how to stay/be COVID safe as apart of the service.

Contact us to learn more and to find out about our federal contracting abilities.
