Company Overview

Global 1 Management Medical Group is a professional healthcare administration company based in Aliso Viejo, California. We are woman-owned and operated, have over 20 years of industry experience, and offer an array of specializations.

Our services include but are not limited to: management support, process implementation, consultations, evaluations, and staff development. Global 1 Management serves as a liaison between providers, hospitals, medical practices, and communities for the comprehensive management of patients including the homeless and low-income population as well as VA patients. Our team has extensive experience in overseeing exceptional patient services, supporting busy healthcare facilities, and improving quality care while decreasing healthcare spending.
