Company Overview

Every Second Counts Auto Transport LLC is a minority-owned business that specializes in land clearing and grading. Along with our specialties we also are able to provide residential and commercial demolition, debris removal, disaster work as well as freight transportation nationwide. In addition to a vast background, our team prides itself on its over 100 years of industry experience, and our ability to get the job done right, on time, and on budget. Here at Every Second Counts Auto Transport LLC we treat our clientele like family and ensure quality service 100% of the time. Please reach out today for additional information on our company and federal contracting abilities.
