

Capability Statement

Boozer Trucking, LLC is a transportation company that does light and heavy hauling for the NE region of the US including West Virginia and North Carolina.

We are a Service-Disabled Veterans Owned Business (SDVOB) with a mission to provide reliable and efficient service. We have over 10 years of experience in the business of logistics as it relates to transportation, courier, and freight. Our reputation of superior service has been acknowledged by our government contractors and private businesses. We deliver outstanding transportation service and logistics. We are equipped to handle heavy freight with 18 wheeler trailers and light freight, courier services with our 26 feet box trucks. Our dedicated team of CDL licensed drivers is committed and dependable. Our business emergency service is maintained by the access of equipment to handle any transportation issue with the best standards. Efficiency is our standard with total reliance on our experienced transportation that operates 7 days a week at 24 hours around the clock services, in which we provide custom solutions that are only right for the businesses we serve, regardless of any needs, logistics support, asset-based trucking or transportation expertise is what we do.

Please contact us about our company and federal contracting abilities.
