## COMPANY OVERVIEW

## CAPABILITY STATEMENT

Elite Roofing, LLC is a roofing installation and contracting company with over 50 plus years of combined industry experience.

In business since 2012, we repair, install, and replace roofs of all types and styles. Highly qualified and trained, our team is an industry leader in storm restoration and roof contracting. Specializing in residential and commercial roofing, we strive for perfection in all jobs no matter the size or difficulty. Aside from our work ethic, we have access to the highest quality and best materials on the market. Our skills and variety of services are what keeps us at the head of the industry and a preferred contractor within our region.

Please contact us today about our company and abilities within the federal marketplace.
