

Set Apart Selective Staffing

Capability Statement

COMPANY OVERVIEW

Set Apart Selective Staffing aspires to go above and beyond, by providing qualified skilled nurses who demonstrate compassion and promote health through integrated clinical practice, education, and research.

Our service includes a comprehensive review to help identify the strong health team you need to combat medical needs and COVID-19. As a company, we want to deliver the best outcomes and highest quality service through the dedicated effort of every team member. With 25 plus years of industry experience, we are experienced nurses ready to travel to homes, temporary placements, clinics, Covid stations, and many more places. We provide an unparalleled environment and will treat everyone with respect and adhere to the highest standard of professionalism and ethics. Our team of highly trained medical associates goes in and gets the job done when others need a rest.

Please contact us about our abilities and federal contracting.

PAST PERFORMANCE
