

Carolina Product Solutions, LLC

Capability Statement

CAGE: 5ZL48
DUNS: 015933318

UVC-19 uses UVC technology to break down molecules.

Company Overview

Founded in 2008, Carolina Product Solutions, LLC has provided high-quality lighting and accompanying solutions to our clientele. We have over 10 years of LED lighting experience, various credentials, and offer an array of specializations.

Our services range anywhere from indoor lighting to PPE. In addition to a diverse skill set, we ensure excellent customer service, the use of UVC technology, strong industry connections, warranty options, and more. Here at Carolina Product Solutions, LLC, our team of professionals put each and every one of our client's needs above all else.

Please contact us today for additional information on our company and federal contracting abilities.
