## Company Overview

SupplySide Medical Solutions LLC is a PPE supplies wholesale company, primarily focused on importing medical-grade nitrile gloves to the USA.

Our team began this venture at the start of the pandemic to assist in bringing much needed supplies to the US and frontline healthcare. Our aim is to supply the healthcare procurement sector with high-performance and FDA-approved masks, testing kits, gloves, and isolation gowns.

Contact us about our company and federal contracting abilities.

## Past Performance

We bring forth an organized operation with our own finance channels to produce and deliver goods from overseas to our systems in need with NET payment terms after successful delivery. We have been shipping goods consistently on a monthly basis, currently providing to small and medium businesses.
