## Capability Statement

### Company Overview

Seven Arrows Risk Management Services LLC is a comprehensive risk management firm based out of Florida. With 50 decades of industry experience, we have amassed incredible knowledge which allows us to best serve and support our clientele.

Our services include but are not limited to: security, screenings, threat assessment, risk mitigation, and staffing. In addition to our diverse skillset, we are veteran-owned, client-driven, and utilize a hands-on approach throughout each project. The Seven Arrows team consists of dedicated, professional experts who have the backgrounds and experience necessary to maximize satisfaction and provide added value to your organization.

Please contact us today for further details on our federal contracting abilities.
