### Company Overview

Since 2015, Microbe Shield Worldwide, LLC has been providing environmentally safe multi-purpose surface protectants and a EPA registered antimicrobial. Based out of our Florida, EPA approved manufacturing facility. Microbe Shield is a veteran-owned and operated business with over 43 years of experience within the industry.

Our products include Multi-Purpose Surface Protectants, Smoke Particle Eliminators, Odor Eliminator, FDA approved Gel Hand Sanitizer, Pest Olfactory Deterrents, which prevent nesting, chewing & loitering from rodents, varmints and other pests As well as, underwater anti growth coatings AKA Barnacle Shield®. All formulas are Hyper Green patented Technology® water-based, non-toxic, maintaining a pH balance of 7.0. Once on the treated surface our products create a invisible barrier protecting the 5 classical elements against microorganisms. This surface works indoor, outdoor on fabric, textile and all hard surfaces and will not rub off.

The Microbe Shield team holds themselves to a perfectionist level of standards, knowledge, dedication and professionalism. As team members we are constantly devoted to protecting the air which you breathe to the surfaces you touch, providing a better solution to you your families and the future of our environment.

Contact us today to learn more about our federal contracting abilities.
