Company Overview

Sarum is a Woman Owned and certified by the WBENC professional staffing and IT consultancy company. We provide staffing services for commercial, clerical, executive, administrative, and professional positions on a full time/temp/contract basis. In addition, we are hands on experts in designing/development of custom software, website, and mobile applications.

Our portfolio of clients ranges from mid to large size companies and government organizations. It is our top priority to take a personalized approach towards each project that we take.
