

## COMPANY OVERVIEW

Bregenzers Brothers Company, Inc. is a premier roofing contractor based out of New Jersey. With over 100 years of collective industry experience, we are able to offer top-notch solutions to our clientele.

Our roofing specialties include repairs, maintenance, installation, restoration, and a number of accompanying services. In addition to our extensive skillset, we are family-owned, detail-oriented, and strive to exceed expectations throughout each project we complete. The Bregenzers Brothers Company team consists of experienced, dedicated professionals who look forward to supporting the roofing needs of your organization.

Please contact us for further details on our company and federal contracting abilities.
