

Company Overview

Trusted Solutions Group offers a wide range of construction services including common labor, skilled labor, and certified flaggers. TSG is an SBA certified HUBZone and a DC CBE.

In addition to our diverse skillset, we have over 20 years of industry experience, are OSHA-10 Certified, and ensure management is directly involved with projects, allowing for hands-on, reliable service. Our consistent crew and team looks forward to supporting the various needs of your organization.

Contact us for more details on our federal contracting abilities.
