Capability Statement

Company Overview

BluLineSafe Security LLC is a minority-owned security agency. Based out of Mississippi, we have nearly 10 years of industry experience which allows us to offer an array of solutions to our clientele.

Our offerings include armed & unarmed security guards, 24 hour security, mobile security patrol, residential & commercial security, and a plethora of accompanying solutions. Our company has primarily moved away from being paper base with the use of software technologies that gives real time reporting, GPS locations, and updates. The BluLineSafe team consists of dedicated, trained, and trustworthy personnel who are more than capable of supporting your organization's needs. We go above and beyond for every client to make sure we meet your expectations and look forward to servicing you.
