Capability Statement

Company Overview

W-Global Cyber-Security Solutions, LLC is a minority woman-owned small business (WOSB) which offers end to end cyber security services by integrating throughout the development lifecycle from starting of a project to decommissioning of a project. Our 21 years of industry experience with Federal Government Agencies allows our company to offer real-world solutions to our clientele. W-Global Cyber-Security Solutions will provide your company with industry standard best practices, current policy regulations and technical expertise to support the intelligence community. W-Global Cyber-Security Solutions will prepare and protect your company's mission by addressing today's information technology security obstacles. Our team is qualified, trained and dedicated professionals that support our clients' organizational needs. W-Global Cyber-Security Solutions' mission is to supply our clients with system integration services to solve their complex business needs.
