Company Overview

We have over 20 years experience successfully providing investigative reports and vital evidence for personal injury claims. We have worked alongside Fortune 500 companies as well as public entities. Our capabilities include a broad range of services, from simple general liability to more advanced cases providing vital evidence to small claims actions, arbitrations or trial.

We work closely with our client and take a proactive approach to claims management, moving the case toward a prompt settlement whenever possible. Our aim is to achieve the best outcome with minimal expense, gathering evidence and conducting a thorough investigation to achieve a fair and timely resolution.

Please contact us today for more information on our company and its federal contracting abilities.
